Call for Exhibitors to the 2017 JET Programme Career Fairs

Dear Sir or Madame,

I am writing today to warmly invite your organisation to participate in the upcoming JET Programme Career Fairs to be held in Tokyo and Osaka in 2017. These career fairs, hosted by the Council of Local Authorities for International Relations (CLAIR), are aimed at foreign nationals with 1-5 years of work experience at Japanese local government offices and schools (JET Programme participants).

Through these career fairs, CLAIR aims to provide an opportunity for companies and organisations seeking multilingual, global personnel to meet and interview internationally-minded JET Programme participants in Japan.

For more information about these career fairs, please refer to the attached flyer.

Most Sincerely,

Yasuhisa Kaneko

Director of the Department of JET Programme Management

Council of Local Authorities for International Relations (CLAIR)

CLAIR has contracted operations associated with this career fair to ACCESS HUMANEXT CO. LTD.

Please direct inquiries about the career fair to the staff below:
